

# 5 MILE CHILDREN'S FOUNDATION

## SCIENCE ADVENTURE PROGRAM

Students will gain valuable experiences through participating in activities including the science train, ziplining and horses.

## SUMMER CAMP

Middle school boys and girls will enjoy a week long camp to build self-confidence, trust and create new friendships all while having fun. To attend, a camper must fill out an application and be selected by their school counselor.

## SCHOOL REWARD DAYS

School reward days are offered to all grades. Activities include: horseback riding, crafts, swimming, ropes course, ziplining and more!
